9 I presented the case -- for -- for driving while
10 license suspended. The -- I presented the case to the
11 Oakland County Prosecutor's Office, who issued the -- the
12 charges you have in front of you for the fleeing and
13 eludes fourth -- fourth degree, and the hit and run
14 accident.

15 THE COURT: Thank you, Detective. Based upon
16 your testimony, the complaint made, and the file, I do
17 find there's probable cause certainly to sign a warrant,
18 and will do so. If you want to come up here.

11. Alexander was then charge and arraigned with fleeing and eluding a police officer fourth degree, MCL 257.602(A)(2) and leaving the scene of a property damage vehicular accident, MCL 257.618.

BACKGROUND OF INCIDENT

On June 16, 2015, Alexander was traveling Northbound on Telegraph to drive Alexander mother to her scheduled doctor's appointment. While driving she began to experience pain, tightness in the chest area and irregular breathing. Within seconds, Plaintiff was cut off by a Caucasian male who jumped in front of Alexander vehicle when a "UPS truck" pulled out of a drive way in front of him. This occurred on Telegraph at Maple. Alexander didn't seem to hit any vehicle (s) and or person(s). Alexander then called 911 to inform operator and request medical Emergency Services and if they could inform the police of situation. Thereafter, on Telegraph at Orchard Lake, Alexander was beaconed by Bloomfield Police Department while on phone with 911. Alexander who suffers from anxiety was cut off by three police vehicles (Telegraph at Elizabeth Lake). Alexander Jump out of vehicle and immediately updated the police of mothers conditions, and history including the fact that she was recently discharge from hospital after a weeklong stay and suffers memory loss. Officer disregarded Alexander claims despite the ongoing emergency that Mother/passenger was in distress. Plaintiff was then treated indifferently, unfairly and like a criminal. Shortly thereafter, approx. 10-12 minutes ambulance appeared on

the scene, Alexander gave them all medication (since, Plaintiff mother needed for initial appointment). Officer at scene, then alleged Plaintiff "nicked" a bumper a mile back. Alexander updated the EMS technician of Mother's condition, and was then placed under arrest. Plaintiff was released what seemed like a few hours later.

Alexander then went to hospital to check status of mother's condition and discovered she was discharged. The hospital discharged her with instructions for concussions because Officers made it appear her injuries was sustained in a Motor Vehicle accident versus her pre existing condition. Primary care Physician then ordered Alexander to bring mother back into hospital for additional observations which was never relayed to ER. This case was then dismissed on motion of City Attorney and an Order of Nolle Prosequi was entered. In addition Det. Sgt Gallagher committed perjury when he falsely testified that he "presented the case to Oakland County Prosecutor Office for suspended License".

4 (At 9:30 a.m., proceedings begin)

5 THE COURT: Let's call the case of the People
6 versus Tania -- or yeah, Tania Alexander, 15-20455.

7 Detective, your name and professional
8 affiliation?

9 JAMES GALLAGHER: Detective Sergeant James
10 Gallagher, Bloomfield Township Police Department.

11 THE COURT: Raise your right hand. Do you
12 promise to tell the truth, the whole truth, and certainly
13 nothing but the truth?

14 JAMES GALLAGHER: I do, Your Honor.

15 (At 9:30 a.m., officer sworn)

16 THE COURT: Please proceed.

17 JAMES GALLAGHER: Okay. Your Honor, on June
18 16th, 2015, at approximately 10:00 a.m. in Bloomfield
19 Township, Officer Matejcik was monitoring our police
20 dispatch radio, and responded to the area -- or I'm sorry
21 -- overheard them put out a -- a broadcast for a hit and
22 run accident that had just occurred in the area of Maple
23 and Telegraph. Officer Matejcik was in the area of
24 Telegraph and Franklin when the responsible vehicle and
25 the victim vehicle, which was following, passed him. The

1 victim -- or the responsible vehicle was a blue and silver
2 Dodge pickup truck bearing Michigan license plate 5LKF00.

3 Officer Matejcik activated his emergency lights
4 when he got behind that vehicle, and after approximately
5 100 yards, there was no acknowledgment from the driver of
6 the pickup truck. At that time, he activated his sirens,
7 again in a fully marked patrol car. The driver did not
8 slow down nor turn off Telegraph Road.

9 The posted speed limit in that area was 50 miles
10 per hour. The driver did, however, turn on the hazard
11 lights of the vehicle, but continued to drive. The
12 vehicle continued north on Telegraph Road into the city of
13 Pontiac, where the vehicle changed lanes and got into the
14 left lane. At that time, the vehicle stopped in the
15 middle of the road. Officer Matejcik directed them to
16 pull off into the parking lot as a unsafe location. The
17 driver disobeyed that order, and then continued northbound
18 on Telegraph again, again at speeds of 40 to 50 miles per
19 hour. Activates lights and sirens a second time, at which
20 time the vehicle continued to a red light at Elizabeth
21 Lake and Telegraph; still failed to stop. Stopped for the
22 red light; however, did not pull over for the officer.
23 The truck continued to County Center Drive, where it was
24 boxed in by our patrol cars, and at that time, the vehicle
25 was finally brought to a stop.

1 The driver of that vehicle at that time called
2 911, tried to explain that she was taking her mother to
3 the hospital because she was having difficulties
4 breathing; however, before that 911 call was terminated,
5 and un -- unbeknownst to the driver, Ms. Tania Chris
6 Alexander, she could be heard in the background of the 911
7 tape telling her mom to fake a medical emergency. At that
8 time, she was arrested.

9 I presented the case -- for -- for driving while
10 license suspended. The -- I presented the case to the
11 Oakland County Prosecutor's Office, who issued the -- the
12 charges you have in front of you for the fleeing and
13 eludes fourth -- fourth degree, and the hit and run
14 accident.

15 THE COURT: Thank you, Detective. Based upon
16 your testimony, the complaint made, and the file, I do
17 find there's probable cause certainly to sign a warrant,
18 and will do so. If you want to come up here.

19 JAMES GALLAGHER: Okay.

20 (At 9:33 a.m., proceedings concluded)
